

Dear Fresno Unified School District Plan Participant,

As a valued active employee or non-Medicare-eligible retiree, we are excited to introduce a new fitness benefit available through the WellPATH program: ClassPass. This innovative fitness membership—available to you at a reduced, affordable rate—will replace the current on-site group fitness classes, offering you unparalleled flexibility and variety to support your health and wellness journey.

How It Works

ClassPass is a comprehensive fitness membership that provides access to thousands of workout classes at studios and gyms locally and around the world. Whether you prefer to work out in a studio, hit the gym, or exercise from the comfort of your own home, ClassPass has something for everyone. And it's all accessible through the phone app.

In-studio Classes

Reconnect with your favorite local gyms and studios for in-person classes.

Digital Classes

Enjoy a vast library of over 2,000 on-demand audio and video workouts, perfect for home fitness.

Flexible Membership

Choose a plan that fits your lifestyle. Roll over unused credits, adjust your plan, or cancel anytime.

Exclusive Rates for You

ClassPass comes to you with a significantly discounted corporate rate in addition to your coverage through WellPATH. Signing up for ClassPass through your WellPATH benefits cuts the cost in half, saving you anywhere from \$10 to \$30 per month. The rates for ClassPass are:

10 credits
\$9/month

21 credits
\$26/month

45 credits
\$65/month

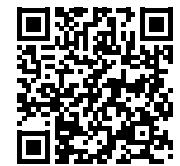

85 credits
\$126/month

Every lesson or session costs a specific amount of credits. For example, if you sign up for the 21-credit plan, you can do "Gym Time" two times per week with it costing one credit per session (eight credits total), two "Meditation" sessions costing three credits each (six credits total), and a seven-credit "Hot Yoga" session. As mentioned above, credits can roll over, and you can always adjust your plan.
